## DANGEROUS TO KNOW AN AUSTRALASIAN CRIME COMPENDIUM

By James Morton and Susanna Lobez

Following the success of their bestselling book *Gangland Australia*, James Morton and Susanna Lobez turn their attention to crime and criminals, both organised and disorganised, in Australia and New Zealand over the last century.

*Dangerous to Know* documents murders known and not so well known, conmen and their victims, street gangs of the early twentieth century, crime lords of the 1920s, dock wars of the 1970s, bikers, sex offenders, and the drug gangs of today as well as the wrongly accused and wrongly convicted. They're all here, as well as some of the police, lawyers and judges who have tried to deal with them.

**James Morton**, a former defence lawyer in England, is one of Britain's leading experts on crime, and the author of more than twenty books including his bestselling *Gangland* series.

**Susanna Lobez** is an actor-turned-barrister-turned-broadcaster. She has been an ABC specialist legal broadcaster on *The Law Report* (radio) and *Law Matters* (TV). She has written feature articles for *The Age* and columns for the *Sunday Herald Sun*.
