## EVERFRESH: BLACKBOOK The Studio & Streets 2004-2010

by the Everfresh Studio

The Everfresh Studio is an explosive hub of creation and activity, inconspicuously located in Melbourne's inner-city suburb of Collingwood. Behind an unmarked factory door, Everfresh artists conceive, develop and collaborate to produce their now internationally renowned work for the streets, as well as fine art for exhibition in galleries and to furnish the art market's growing appetite for street art.

Illustrated with striking, candid photography, Everfresh: Blackbook provides a rare and exclusive insight into the life of the studio, the artists behind the work and the culture of the elusive underground art world-a world usually cloaked in anonymity.

The group known as Everfresh-artists Sync, Phibs, Reka, Rone, Wonderlust, Prizm, Meggs, Makatron and The Tooth-create works which fuse intense colour, intricate line work, iconic characters and visual narratives, using the most diverse street art and graffiti techniques. The Everfresh crew are the key players that continue to shape Melbourne's dynamic and prolific street-art scene.
