FOR a journalist dreaming about one day travelling to New York, this book is the best eye candy money can buy. Chef Shannon Bennett from Vue de monde, takes readers to his favourite restaurants, hotels and bars and gives us tips on where to find the best hot dogs, burgers and cocktails. There are gorgeous recipes including warm chocolate mousse and wagyu burgers and heaps of information any traveller would appreciate. There's not that much on shopping though. I guess that will just have to be left up to me when I finally get there.
