## MEMOIR

### **TAKING THE BLACK DOG OUT**

**BLACK DOG DAZE, BY  
ANDREW ROBB, MUP,  
RRP \$34.99, E-BOOK  
RRP \$23.99**

FROM his teenage years, Andrew Robb has lived with the "black dog". In this fascinating memoir, Robb, the Shadow Minister for Finance, is refreshingly candid about his private demons and public life. This is a life-affirming and inspirational read that traces his journey from early childhood as one of nine kids on a sheep property at Flowerdale in the Great Dividing Range, through to his current position. While Robb stresses everyone is different, he says many can find a manageable solution to depression within three to 12 months of seeking help.
