## WITH PAUL DONOUGHUE

### **THE SPIRIT OF GOLF**

Richard Allen, an Australian golf writer, looks at the ways the essence of the sport – patience, self-belief, focus and honesty – mirror the qualities we strive for in life. Allen says the game of leisure and the game of life both involve weighing up risk, making hard decisions and learning to deal with triumph and tragedy. Recounting stories from the game's 600-year history, this is one for lovers of the game as much as those unfamiliar with it.
